Dear Mr Heenan

I thank you for your letter. You have been registered as an Interested and Affected Party. I am concerned about your assumption that the proposed application is being swept aside. This is a Basic Assessment in terms of the Environmental Management Act, inclusive of public participation as required by the Act. In the interest of public awareness and interaction the necessary procedure, in terms of NEMA (as amended), will be followed to ensure all parties will be given fair opportunity to express their views so that the Authorities and make a sound decision when they approve or decline the application.

Yours faithfully

Dear Mr Bodenstein

### **EIA APPLICATION ; EMERALDENE POULTY FARM - ZINKWAZI**

I refer to the Notice of Application for Environmental Authorisation in terms of the EIR regulations, 2006 (Regulations in terms of Chapter 5 of the National Management act,1988 as ammended)

As am owner of property and a Zinkwazi Ratepayer, I would request that the application referred to above be subject to a public scoping meeting.

In the intrests of the residents of Zinkwazi and Darnall, the proposed application cannot be simply swept aside without full public participation.

I do accordingly record myself as an intrested and affected party, and would respectfully request confirmation of my letter.

Yours sincerely

Councillor R C Heenan
