Re: EIA APPLICATION: EMERALDINE POULTRY FARM – ZINKWAZI BEACH

Dear Mr Bodenstein and Ms Sue George

We refer to the Notice of Application for an Environmental Authorization on Emeraldine Poultry Farm in terms of the EIR regulations, 2006 (Regulations in terms of Chapter 5 of the National Management act, 1988 as amended)

We the Zinkwazi Beach Area Committee Ward 2 would like to object on behalf of all Affected and Interested parties of the Zinkwazi Beach area.

We respectfully request that the following information be provided to the committee for perusal.

- 1) We would like a full study of the effects that the extension of such an entity may have on the Zinkwazi Beach Township of the farm 1673**
- 2) The views from department of Agriculture as to the proximity and magnitude of such an entity in relation to a residential area.**
- 3) A study of the effects on the values of the properties in the Zinkwazi Area.**
- 4) A Public scoping meeting is to be held and enough notification given to the Ward Committee to enable us to inform the Residents.**
- 5) If there is any specific procedure to be followed, which we are not, complying with in lodging this objection we request your immediate directives in this regard.**
- 6) As you are aware we are in possession of many objections from the residents who have asked us to act on their behalf.**
- 7) Acknowledgement of receipt of this objection**

Please be advised that we intend consulting with professional advisors and will supply a full and comprehensive breakdown of all our concerns in due course.

We would appreciate that all correspondence relating to this extension be forwarded to us for our perusal.

Yours sincerely

The Zinkwazi Beach Area Committee Ward 2
