Subject: Fw: Poultry Farm Extention and effects on Zinkwazi

Hi everyone.

It has been brought to our attention that the poultry farm outside Zinkwazi has made application to extend their facility quite substantially and to erect a mill facility. The extension could have a major effect on the village as far as flies and bad odour.

We have obtain the advertisement that was placed in the Courier and have attached it for your perusal. We the Zinkwazi Ward Area Committee feel that an EIA public scoping meeting should be arranged in order to ascertain the effect this could have with regards the Zinkwazi Area.

Please feel free to forward objections to
