Subject: RE: Poultry Farm Extension and effects on Zinkwazi

Good Day All.

I must admit, this is not a good thing to have around.

I think we should actually have the Ward Committee put together a letter and have this circulated and signed by all Residents of Zinkwazi.

We have bought there to get away from all the pollution in Gauteng, and I will be more than willing to sign any Petition that the Ward Committee deem to be necessary.
 If there is any other way I can be of assistance, please let me know.

Ps. Thanks for the hard work and all the info.

Best Regards
