**Subject:** Fw: Poultry Farm Extention and effects on Zinkwazi  
**Attachments:** Poultry Farm Extention.pdf

Hi everyone.

It has been brought to our attention that the poultry farm outside Zinkwazi has made application to extend their facility quite substantially and to erect a mill facility. The extension could have a major effect on the village as far as flies and bad odour.

We have obtain the advertisement that was placed in the Courier and have attached it for your perusal. We the Zinkwazi Ward Area Committee feel that an EIA public scoping meeting should be arranged in order to ascertain the effect this could have with regards the Zinkwazi Area.

Please feel free to forward objections to

Kindest Regards

Frances  
 For and on behalf of the Zinkwazi Beach Area Committee Ward 2

*Dear Sue / Johan,*  
*If the above application is going to affect Zinkwazi residence then my wife and I strongly object to this application*
